

Hello Vintage Racing Participant;

The entire staff of New Hampshire Motor Speedway would like to extend to you a Happy New Year as well as an invitation to participate in the 22nd Annual Vintage Racing Celebration.

This year there have been a few modifications to the Vintage Celebration at NHMS which should help us form a more economical program for the speedway as well as the participants. We had several planning meetings since last May and we reviewed many suggestions which were submitted by many of you. After careful consideration here are the changes for 2012;

- Oval Course Days will May be 10 & 11 (Load in and Inspection will begin on May 9 at noon)
- Road Course Days will be May 12 & 13 (Inspection will begin on May 11 at noon and Load in will begin as Oval Day Cars begin to pack up and space becomes available)
- The garage will open each day 7am and on track activity will begin at 8:30 am and conclude no later than 7:00 pm. This makes the events two day shows but longer days which will reduce the costs of lodging and meals to the participants.
- We will no longer host a Grand Marshal dinner which will allow participants to explore and enjoy many dining opportunities which exist in Central New Hampshire.
- NHMS will continue the opportunity for online registration for this event as well as offer an entry form in this mailing which can be completed and returned to the NHMS Operations Department. If you choose to use the paper entry form provided you only need to complete one form for all of your entries.
- Entries must be received by April 23rd or there will be a \$20.00 late fee applied to the registration
- We will have our PA announcers in the radio booth for all days of activity and encourage each of you to submit a completed Bio Form which is included to assist them in making everyone aware of the details and history of each of you and your vintage racing machines. A picture of your vehicle would be helpful as well so they can easily identify the vehicles.
- The Oval Days Safety Rules worked well in 2011 and have not been amended for 2012.
- As in the past Dash Plaques, Participant Plaques, & Event Programs will be provided to registered participants.
- Camping will be permitted on property and will cost \$25.00 per camper for the event. Water & electric hook ups will be available on a first come first serve basis.
- Garage Rentals will be available for \$50.00 for the duration of your groups scheduled activity during the Vintage Racing Celebration. Garage Rentals can be secured when you register for the event or upon your arrival on a first come first serve basis. Specific garages cannot be reserved they will be assigned upon your arrival at NHMS.

Information regarding safety rules and technical information can be found on the following websites:
