

Hello Vintage Racing Participant;

We hope that everyone is enjoying a great start to 2016 and we are very excited at the opportunity to host the 26th Annual Vintage Celebration during the peak of vacation season here in the beautiful New Hampshire Lakes Region this summer.

This year there have been a few modifications to the Vintage Celebration at NHMS which should help us continue to host the event as well as continue to grow its popularity among our many New England racing fans. We will be Hosting Hot Import Nights & bringing back the Car Show this year on August 27th. We are excited to welcome "Hot Import Nights" to the schedule for the fourth time at NHMS. This event will be held at the facility and include action in parking lots as well as racing and drifting action on the Magic Mile. Hot Import Nights features a large modern day car show which has consistently had 400 plus entries and a display area filled with people, music, models, and drifting competitions. We estimate that this could bring several thousand new fans to the event to experience what has developed into a worldwide tour and at the same time expose them to some excellent Vintage Racing Vehicles from the past.

- Oval Course Days will be August 25th & 26th (Load in and Inspection will begin on August 24th)
- Each Day will Have Toyota Pace Vehicle Rides During Lunch for \$25.00 a person
- The garage will open each day 7am and on track activity will begin at 9:00 am and conclude at 5:00 pm. As long as the weather cooperates.
- There will be Powder Puff Laps on the 25th from 5:15 pm until 6:00 pm for the Ladies. Safety equipment must be worn.
- We will have our PA announcers in the radio booth for all days of activity and encourage each of you to submit a completed Bio Form which is included to assist them in making everyone aware of the details and history of each of you and your vintage racing machines. A picture of your vehicle would be helpful as well so they can easily identify the vehicles.
- Participants in the Vintage Celebration are encouraged to stay on the 27th and display their vehicles for free in a special Vintage Racing Paddock to help create an interest from younger racing enthusiast for the rich racing history of the past.
- As in the past Dash Plaques & Participant Plaques, will be provided for registered participants.
- Camping will be permitted on property and will cost \$25.00 per camper per night including water and electric service on a first come first serve basis.

We greatly appreciate your interest in the 26th Annual Vintage Celebration and we hope you will choose to join us on the 27th as well to display your racing vehicle to the many guest which will visit us that day and help us increase interest in the Rich Racing History of the past here in New England.

Sincerely,

Tom Blanchette
