NEW HAMPSHIRE MOTOR SPEEDWAY

WELCOME TO NEW HAMPSHIRE MOTOR SPEEDWAY

Dear Camper,

Thank you for choosing us as your residence for the ISM Connect 300 Race Week here at New Hampshire Motor Speedway!

Our camping lots will open for the week at 8:00 a.m. on Saturday, Sept. 16 and will close at 12:00 p.m. on Monday, Sept. 25, the day after the ISM Connect 300 Monster Energy NASCAR Cup Series race.

When you arrive to the speedway, please feel free to visit our camping trailer in the S11 Lot or stop by after you settle in should you have any questions or concerns. If you have any questions prior to your arrival, please call Robbin Landry at (603) 513-5716 or email rlandry@nhms.com.

Please take notice that since all camping is now reserved, we cannot stage or park campers or RVs on NHMS property prior to our open time at 8:00 a.m. on Saturday, Sept. 16. Also, campers arriving between 11:00 p.m. and 7:00 a.m. (Saturday to Saturday) will be staged overnight in the S11 Lot.

Our goal is to give every guest the best experience as possible during their time at NHMS. We ask that you please be courteous to your neighbors and refrain from loud parties, rowdiness, rude and immoral conduct, and reckless driving. The possession of weapons, fireworks and explosives is strictly prohibited. Violators of these rules will be removed from the grounds and/or prosecuted without refund. No exceptions.

Thank you for your cooperation and enjoy your visit!

- All camping lots have reserved spaces. This space is for RV/campers, including slide-outs, awnings, tables and tow vehicles. If your camper is too large for your site, you will be required to move and incur any additional fees associated with the relocation.
- NHMS is not responsible for lost or stolen items.
- All RVs and campers must be self-contained, and all drivers and their guests must have race day tickets in their possession before driving onto NHMS property. Anyone without race day tickets will not be allowed onto NHMS property. A self-contained RV or camper must have on-board sanitary facilities and water. The speedway does not have hook-ups or dumping facilities.
- **The dumping of gray water and waste on speedway property is prohibited.** Violation of this rule will result in arrest, fines, and forfeiture of ticket renewal privileges.
- All RV/campers and tow vehicles must have camping pass and tow vehicle stickers visible. RV/campers or vehicles parked in the wrong location or without a sticker visible are subject to towing.

- NHMS has convenient handicapped parking for RV's, campers and cars. In order to be fair to all of our guests, we will require all vehicles to have a state-issued handicapped plate or a state issued handicapped placard hanging from the rearview mirror. NHMS reserves the right to refuse handicapped parking to those vehicles which do not contain a plate or placard.
- If you choose to have a sleeping tent on your site, there is a limit of one tent per site, per camper.
- Hitches must face outward or be accessible for quick trailer removal.
- All vehicles must have a tow vehicle sticker to park with their RV or camper. Any additional overnight vehicles will be parked in an overflow lot away from the campground. Any vehicles parked in fire lanes are subject to towing.
- Pets must be on a leash at all times. Please be considerate of all guests and clean up after them. Pets are not allowed in the grandstands.
- The following items are not permitted on NHMS property: Private golf carts, unregistered motorcycles, mopeds, scooters, Segways, hoverboards, ATV's, weapons, fireworks, skateboards, rollerblades, human transporters, drones and scaffolding.

PARKING TYPES

Horseshoe type parking of RVs is permitted, except that an unobstructed view and clear lane from the service road must be kept open at all times. NHMS reserves the right to make changes to any parking pattern deemed unsafe.

RV CAMPING OPEN FIRE RULES AND REGULATIONS

- **Small cooking fires may be allowed only when the Forest Fire Warden deems conditions are safe.** No cooking fire should be left unattended and should be put out with water before leaving the RV area. Cooking fires should be fueled with clean wood only. If you are caught burning materials other than clean wood, you will lose your rights to renew your race tickets.
- Bringing untreated out-of-state firewood into New Hampshire can spread damaging insects and diseases that threaten the health of our forests. A quarantine banning the entry of untreated out-of-state firewood into the state has been established by the N.H. Department of Resources and Economic Development and the N.H. Department of Agriculture, Markets & Food.
