FIRST-TIME FANS CHECKLIST

While this list is dedicated to first-timers, it can also be used for our returning fans to help make packing as easy as possible.

NECESSITIES

- TICKETS**
Duh!

- EAR PROTECTION**
Auto racing is loud and we recommend noise-reducing headphones or FanVisions. (See P. 3)

- SUNSCREEN, HAT & SUNGLASSES**
There's a difference between getting a tan and getting a sunburn.

- WATER AND FOOD**
We allow coolers of 14 inches or less in dimension into our grandstands, and we encourage you to pack an ample amount of water, drinks, and food. No glass, please!

- LAYERED CLOTHING**
Be sure to check the weather report ahead of time and pack the appropriate amount of clothing for the temperature and conditions.

- MEDICAL SUPPLIES**
Whether it's a small First Aid kit or something more significant, be sure to bring the necessary medical supplies to ensure your health throughout the day.

- COMFORTABLE WALKING SHOES**
At 1,200 acres, the property at NHMS is big. And while we provide trams and golf cart shuttle services to and from the grandstand area, there is still some walking to be done. Please wear appropriate footwear for getting around.

ADDITIONS

- RACE SCANNER OR FANVISION; PRE-RACE PIT PASS**

These can be rented at the track or, better yet, added onto a ticket purchase at a discounted rate. See P. 3 for more details.

- MOBILE PHONE WITH FREE NHMS APP**

The NHMS app can serve as your race weekend pocket guide. It also includes a live stream for race broadcasts on the Performance Racing Network.

- TICKET LANYARD IMAGE OF LANYARD HERE**

Many fans find that lanyards are the easiest way to carry and maintain tickets, pre-race pit passes, etc.

- PHOTO OF PARKING LOT SIGN**

The Gil Rogers Highway five-lane road through our parking lots spans about three miles, so make sure you take a photo of the sign closest to where you parked. This will help ensure you find your car much faster after the race.

- SEAT CUSHION**

All seating at NHMS is grandstand seating. Cushions are acceptable, but please note that seat backs with arms are prohibited.

- REPRESENTATION OF YOUR FAVORITE DRIVER**

If you're new to NASCAR or need to pick up any additional merchandise, be sure to check out Souvenir Hauler Row located behind the Main Grandstand.

- TAILGATE ESSENTIALS**

Many of our fans choose to tailgate before and/or after the race. Be sure to bring everything that you might need for a successful tailgate, including:

- | | |

NEW HAMPSHIRE MOTOR SPEEDWAY®

TRAM ROUTES

Tram Routes begin at 9:00 a.m. on Thursday and 7:00 a.m. on Friday and Saturday. All trams run until two hours after the last event of each day. Sunday post-race Trams run limited service to allow fans safe egress.

The Blue, Red and Yellow trams stop running for approximately 45 minutes after the wave of the checkered flag in Sunday's ISM Connect 300. This is to provide safe exit for all pedestrians. The only tram routes that will run at this time are the Hill Loop and the N12 Shuttle.

The **Blue Tram** runs around the Magic Mile Loop (perimeter of the speedway). This tram will provide a quick and easy way to get from one part of the track to the other. The Blue Tram route connects with both the Red and Yellow Routes to allow the guest to change routes to reach all parts of the property with ease.

The **Red Tram** will provide transportation to fans who park in the "N Lots". It will also bring you to the helipad, where many of the drivers fly in and Speedway Children's Charities will conduct charity helicopter rides on Saturday from 9 a.m. to dusk.

The **Red Tram** route has two special routes added to assist guests later in the afternoons:

- The **HILL LOOP** trams pick up guests at the tram stop at the bottom of the hill behind the Granite Ledge and carries them up Helipad to the tram stop at the top of the hill. The HILL LOOP runs from mid afternoon until two hours after the last event of each day.
- The **N12 SHUTTLE** runs ONLY after the checkered flag in Sunday's Monster Energy NASCAR Cup Series race. Guests are picked up in the N12 lot near the North Entrance with no stops in between.

The **Yellow Tram** will run from the Fan Zone through the S9 campground and will make a stop in the S12 Day parking lot. It will also provide transportation to the Museum and our new credentials location.
