

You've watched the pro's on Sunday... now you can experience the speed of "The Magic Mile!" Speedway Children's Charities and New Hampshire Motor Speedway want you to feel the rush as you ride around one of America's premier racing venues. For a \$30 donation, you can ride in a New Hampshire Motor Speedway Pace Car as it takes three "fast laps" around the speedway. All proceeds from this event will benefit the New Hampshire Chapter of Speedway Children's Charities.
