SMI Properties, Speedway Motorsport LLC., and NHMS are not responsible for omissions or errors.

Note:

No express or implied warranty of safety shall result from publications of, or compliance with, these rules and/or regulations. They are intended as a guide for the conduct of the sport and are in no way a guarantee against injury or death to a participant, crew member, corner marshal, helper or official. By entering and participating in an event a driver acknowledges that he or she has read and understands the rules and agrees with and will abide by all the rules and policies herein. Any omissions or oversights shall not be construed as permission to do as one pleases. Any and all rule interpretations or additions may be initiated as required and will be the responsibility of the referee and race director. They shall be binding and final.

1. DEFINITIONS

1.1 The following terms were obtained from and can be found in the INEX rulebook. These terms apply for any INEX-sanctioned event held at New Hampshire Motor Speedway.

- 1.1.1 **US Legend Cars International:** Sole manufacturer of the Legend Cars and Bandolero Cars
- 1.1.2 **INEX, Corp.:** Interprets and enforces the specification rules for all Legend Cars and Bandolero Car events. INEX works with speedway promoters to set up, tech, promote and administer events.
- 1.1.3 **Stock / Original Equipment Manufacturer (OEM):** Delivered “new” from US Legend Cars International or at the current standards of US Legend Cars International
- 1.1.4 **Aftermarket:** Produced by INEX approved manufacturer other than original equipment manufacturer
- 1.1.5 **Disqualification:** Unless otherwise defined will mean the forfeiture of all awards, prizes and points earned for and prior to the infraction during the date(s) of the event
- 1.1.6 **Sanctioning:** The authority granted by INEX to organize and conduct a Legend Car and/or Bandolero Car competition and use the “Legend Car” and/or “Bandolero Car” name
- 1.1.7 **Competition/Race:** A contest in which an INEX driver takes part and which is of a competitive nature or is given a competitive nature by the publication of results
- 1.1.8 **Event:** An entire program of on track, INEX-sanctioned competitions or races, including practice
- 1.1.9 **Promoter/Organizer:** The person or body controlling a facility where events are organized, promoted and staged
- 1.1.10 **Participant:** A driver, car owner, mechanic, pitman, official or speedway employee bearing assigned pit passes duly and officially issued by the speedway holding an INEX-sanctioned competition
- 1.1.11 **Penalty:** Any condition imposed on a participant for violation (failure to act in accordance) with the rules found within the NHMS and/or INEX rulebook

2 RACE OFFICIALS & DUTIES

- 2.1 2020 Race Officials (See Appendix B)
- 2.2 Description of Duties
 - 2.2.1 **Race Director:** Responsible for executing the program of competition. He or she shall direct the drivers and their cars, officials and their assistants, and other participants (associate members, crew chief, pit crew, etc.). He or she are also responsible for settling protests and disputes related to “on-track” activity and procedures, supervising the event and determining whether conditions are safe to continue the event (altering the schedule for reasons of safety or forces beyond their control) or postponing the competition. He or she must settle all disputes as a result of local track race procedure rules at the track.
 - 2.2.2 **Tech Inspector:** Responsible for executing the rules and regulations of Technical Inspection of the vehicles. He or she is responsible for the operation of Technical Inspection in a manner that will ensure all equipment meets INEX technical standards by utilizing all tools and equipment provided by INEX. He or she are allowed to inspect any part of the vehicle at any time during the INEX-sanctioned event, as per allowed by INEX.
 - 2.2.3 **Starter:** Responsible for all activities relating to running practice, heats and races. This will include all start/finish flagging. He or she shall remain in

communication with the Race Director in regards to on-track activity and will do directly what the Race Director asks them to do.

- 2.2.4 **Chief Course Marshall:** Responsible for Corner Marshall and Corner Crew assignment, placement and operations. Works in close harmony with the Race Director, Starter and emergency personnel (Wrecker, Ambulance, Cleanup Truck, Cleanup Buggy, etc.) to ensure safe track operations.
- 2.2.5 **Chief of Timing & Scoring:** Responsible for the development and control of lap times and scoring for all competitors during an INEX-sanctioned event. He or she is also responsible for the set-up of track scoring equipment.
- 2.2.6 **Assistant to Timing & Scoring:** Responsible for supporting the Chief of Timing & Scoring with all aspects of timing and scoring.
- 2.2.7 **IT Director:** Responsible for assisting with Timing & Scoring. He or she is responsible for technical support throughout all aspects of the series to ensure all computers, timing and scoring equipment and other various technologies are working properly.

3 LICENSING

- 3.1 All competitors must have a current INEX license in order to be permitted to compete in any INEX-sanctioned event.
- 3.2 Applicants must be at least 8 years old to compete in the Bandolero Car division and 14 years old to compete in the Legend Car division.
 - 3.2.1 12 and 13 year old drivers may be included in the Legend Car division at the discretion of the Race Promoter and/or the Executive Competition Director.
- 3.3 Applicants less than 18 years of age must be accompanied by both his or her parents and/or all legal guardians in order to be permitted to compete in any INEX-sanctioned event. A *Minor Waiver* is to be signed by both legal parents and/or all legal guardians, with a member of the Race Promoter serving as the Witness.
 - 3.3.1 If any or all parents or legal guardians will not be attending any or all of the events, a *Notarized Minor Waiver* must be submitted to New Hampshire Motor Speedway prior to the first racing event. Minor Waiver forms and instructions are available at www.nhms.com or by contacting Kelsie Leonard at (603) 513-5757 or kleonard@nhms.com.
- 3.4 Competition Packets
 - 3.4.1 All competitors are required to fill out the competition packet and medical form provided by Granite State Legends Cars at New Hampshire Motor Speedway.
 - 3.4.2 Packets must be filled out and on file at Granite State Legends Cars before being permitted to compete in any INEX-sanctioned event at New Hampshire Motor Speedway.
 - 3.4.3 Once the packet is filled out, you will receive an account which will serve as your access to registering for an event at New Hampshire Motor Speedway (see Section 7.1).
- 3.5 Number Assignments
 - 3.5.1 Car numbers are assigned once a year/race season. Once the number is assigned for the season the driver will not be able to switch numbers until the following season.

- 3.5.2 Car numbers will be approved by the Race Promoter.
- 3.5.3 Returning competitors from the previous season will have the rights to their number for the following season. Failure to complete the Competition Packet by the anticipated deadline will result in availability of number to other competitors.
- 3.5.4 If a competitor requests a number that is already being used by another competitor in the series, it is at the discretion of the Race Promoter to determine whether or not the competitor will need a new number or place a letter at the end of the number

4 GENERAL PENALTIES, CONDUCT & RULES

4.1 GENERAL PENALTIES

- 4.1.1 Unless penalties are otherwise expressly provided for in this rule book, the Race Director may levy penalties (i.e. one lap, stop & go, etc.), fines, deduct points, disqualify, or suspend any driver for the remainder of the event for any violation of the rules of competition, insubordination, or any other conduct detrimental to the meet.
 - 4.1.1.1 In addition, the Race Director may levy fines ranging from \$25.00 to \$5,000.00, and can recommend suspension from future NHMS, NELCAR or INEX events.
 - 4.1.1.2 Fined drivers are barred from further competition pending payment of the fine.
- 4.1.2 Drivers are required to comply with all instruction given by an official or member of the safety crew, regardless if they are verbal instructions or transmitted to the driver by use of flags. Failure to comply constitutes conduct detrimental to the sport and the Race Director will levy penalties accordingly. Any penalties or fines levied as a result of violating this rule will not be subject to protest or appeal.
- 4.1.3 All drivers must assess for themselves, the facility, organization, safety measures, weather conditions, track conditions and any other considerations regarding the risks of competition at any given event. Participation after such an assessment indicates an assumption of all risks involved.
- 4.1.4 Any driver who misrepresents himself or his equipment in any way will be subject to immediate suspension.
- 4.1.5 It is the responsibility of every competitor to notify the onsite medical staff or EMS personnel of any medical condition which may be worsened by participation at that particular event. Permission to compete following such notification does not create an assumption of liability on the part of the officials, medical staff, EMS or sanctioning body. All participants must fill out a medical form and return it to registration before competing.
- 4.1.6 All drivers must sign a release for each event and no driver may practice or compete until the waiver is properly signed and dated.
- 4.1.7 Participation of any form which results in an unregistered driver participating on the track in either practice or a race event, will result in punitive action being levied against all parties involved, up to and including disqualification.
- 4.1.8 It is the responsibility of the driver to assure that he or she is entered in the correct class and in the correct car.

4.1.8.1 Any driver improperly entered will be disqualified from that class and be subject to a fine.

4.2 CONDUCT

- 4.2.1 All participants (driver, crew, family, friends, etc.) are to comply with the Participant Conduct within the INEX Rulebook.
- 4.2.2 Proper conduct is necessary to present a positive image of the sport of Legend Car and Bandolero Car racing. Competition or paddock licenses may be suspended or revoked and the person may be subject to ejection from the event for conduct that is obnoxious, disruptive, destructive, or dangerous to others or their property.
- 4.2.3 No alcoholic beverages may be consumed by any person in the pit or paddock area during racing or practice hours. This rule will be strictly adhered to. Any infraction will be cause for immediate ejection. This applies to drivers, crews, family, friends, and/or spectators.
- 4.2.4 Any driver, crew members, family members or friends found to be using any illegal drugs will be immediately ejected from the event and the driver's license will be suspended.
- 4.2.5 Drivers are strictly prohibited from participating in any track activity if under the influence of prescription narcotics or any prescription medication that inhibits the ability to drive or operate machinery.
- 4.2.6 Unsafe or unsportsmanlike driving may result in a penalty.
- 4.2.7 Burnouts, wheelies, and/or any other stunt are strictly prohibited in the paddock, pits and on pit road. All wheels must be on the ground at all times, on any machine, pit bike or other wheeled vehicle.
- 4.2.8 Any driver that stops on the course for any reason other than mechanical breakdown during a race, practice, warm-up or cool-off lap may be subject to a penalty.
- 4.2.9 Any action that impedes or distracts another driver on the track or dangerous weaving to block a passing driver will be subject to a fine and/or disqualification.
- 4.2.10 The pit and paddock speed limit is limited to 15 MPH and will be strictly enforced.
- 4.2.11 Any driver that deliberately causes physical, or financial, harm to any person or their equipment will be subject to a penalty and possible reimbursement to the injured party.
- 4.2.12 Children under the age of 14 must be supervised at all times. No child will be allowed to operate a bicycle, motorcycle, ATV or any other wheeled vehicle of any size within the confines of the pit, garage or paddock area.
- 4.2.13 Anyone under the age of 18 must wear a helmet, regardless of being in control of or as a passenger on a pit bike or other wheeled vehicle.
- 4.2.14 Children under the age of 16 are not allowed on pit road at any time unless they are licensed competitors.
- 4.2.15 A driver will be held responsible for the actions of his or her crew, family or friends.
- 4.2.16 Drivers are required to attend the Drivers Meeting on the day of their races. It is extremely important for drivers to attend this meeting and understand all rules and regulations and comply with any changes made to the schedule of events. *Failure to do so will result in the driver having to start the Feature in the rear.*

- 4.2.17 *ROAD COURSE ONLY*: Up to 3 properly credentialed crew members are allowed on hot pit road to make adjustments to the car. All crew members stepping onto the hot pit side of pit road are required to wear helmets.
- 4.2.18 DOGS and/or other pets: There are restrictions for having dog or other pet(s) in the garage and paddock areas.
 - 4.2.18.1 All dogs and other pet(s) must be on a leash and not allowed to run freely at any time
 - 4.2.18.2 Dogs are allowed in the garage areas during the race day activity only if they are not able to step outside the garage bay. The dog must not be able to infringe on another garage or step outside the garage at any time during the race event. Pet owners are subject to a \$50 fine if caught neglecting this rule.
 - 4.2.18.3 Dogs are not allowed on pit road at any time.
 - 4.2.18.4 Pet owners are responsible for picking up after their pet; all messes made by the dog need to be taken care of immediately and properly.
 - 4.2.18.5 Animal owner is subject to a \$50 fine for not adhering to these rules.
 - 4.2.18.6 If a violation occurs multiple times with the same pet/owner, NHMS reserves the right to ban the pet from the property.

4.3 RULES

- 4.3.1 INEX Rulebook
 - 4.3.1.1 All Legend Car & Bandolero Car events will be INEX-sanctioned events.
 - 4.3.1.2 All competitors & crew members must comply with the INEX rulebook for rules and regulations for their specific division.
- 4.3.2 Mission Statement/Conduct
 - 4.3.2.1 It is expected that all competitors & crew members comply with the USLCI Mission Statement
 - 4.3.2.2 Misconduct and failing to comply with the Mission Statement may result in disciplinary action including but not limited to disqualification, suspension, fine and revocation of race license.
- 4.3.3 Dispute of a Decision
 - 4.3.3.1 Refer to page 27 in the INEX Rulebook.
 - 4.3.3.2 The Race Director will make time available at the conclusion of the event to discuss dispute.
- 4.3.4 Appeal Process
 - 4.3.4.1 Refer to page 27 in the INEX Rulebook.
 - 4.3.4.2 All race procedure and race incident decisions made by the Race Director are final and not subject to appeal.

- 5.2.5 Roof and door numbers must not slant more than 30 degrees from vertical.
- 5.3 Fuel
- 5.3.1 All Legend Car Road Course participants will only be allowed to run the following fuel at NHMS:
- Sunoco 93 Premium (Pump)
 - Sunoco 95 Optima (5 Gallon Pail or 55 Gallon Drum)
- 5.3.1.2 You are not allowed to mix the two fuels together; you must run one or the other. If caught mixing fuel, competitor will be disqualified from the event, receiving no points and no payout.
- 5.3.2 Specific Gravity: Must read from .710 to .770 at 60 degrees Fahrenheit
- 5.3.3 Laboratory Testing: NHMS reserves the right to take samples from any car at any given event to be submitted to INEX for laboratory analysis.
- 5.3.4 NHMS reserves the right to penalize any driver and/or crew member according to the INEX rulebook if fuel is considered illegal.
- 5.4 Tires
- 5.4.1 The use of Hoosier asphalt tires or Hoosier rain tires for all practice sessions, qualifying sessions, and race session will be at the discretion of each driver and/or team
- 5.4.1.1 NHMS will provide a detailed weather forecast prior to the event to assist drivers and/or teams to make their decision
- 5.4.2 No practice sessions, qualifying sessions, and race session will be stopped due to changing track conditions, except in instances of severe weather conditions where the track surface is deemed unsuitable for racing (i.e. Lightning or torrential rain)
- 5.4.3 For competition at NHMS, Federal tires will be allowed until July 1, 2020. After July 1, 2020, all competitors must use Hoosier asphalt tires or Hoosier rain tires.
- 5.5 Transponders
- 5.5.1 All cars are required to run either red Tranx260 (formerly AMB) or the new X2 transponders for proper timing & scoring.
- 5.5.2 See Section 10: Timing & Scoring
- 5.6 Recording Devices

- 5.6.1 Any recording device (GoPro, camera, etc.) must be secured on the car at all times.
- 5.6.2 Any recording device must be registered with Tech.
- 5.6.3 NHMS and INEX are not responsible and cannot be held liable if recording device becomes unsecured from the car and damaged, lost or stolen, etc.
- 5.6.4 Recording devices are subject to be confiscated in the event of on-track incidences.
- 5.7 Two Way Radios
 - 5.7.1 Two-way radios are NOT allowed to be used in both series we run through NHMS. If you are caught using a two-way radio there will be a minimum of 2event suspension.

6 TECHNICAL REQUIREMENTS & INSPECTION

- 6.1 Upon entering an INEX-sanctioned event, any car or component may be checked at any given time by a Tech Inspector
- 6.2 Driver and/or owner of the car are responsible for their car and its legality.
- 6.3 Only the driver and one crew member will be allowed in the Tech pad area during inspection of the car. All other crew members or members associated with the driver will need to be on the opposite side of the bike fence.
 - 6.3.1 Any member associated of a driver and car that enters the Tech pad area that is not designated as the one crew member will result in a penalty for that driver and car to be determined by the Tech Inspector and Race Director.
- 6.4 All drivers and cars must be approved by Tech Inspectors before going out onto the track at any given time.
- 6.5 Oil Filters
 - 6.5.1 All oil filters must be secured with a hose clamp and the hose clamp must be secured with safety wire to a pre-drilled bolt.
 - 6.5.2 Wiring Example:

- 6.6 Refusal to submit a car or component for inspection upon the request of a Tech Inspector will result in an immediate disqualification and possible suspension from future NHMS, NELCAR & INEX events.

7 REGISTRATION

- 7.1 Entries
 - 7.1.1 All drivers must have a valid INEX license and online registration account set up by Granite State Legends Cars. Each driver will be provided with an account upon completion of the Competition Packet.

- 7.1.2 All entries must be through the online registration system [trackintel.com/ti/legends].
 - 7.1.2.1 For 2020, the entry fee will be waived but all drivers will need to purchase a \$25 competitor wristband for each event.
 - 7.1.2.2 Any driver/team that wants to tech more than one (1) car for each race day, will be charged an additional car fee of \$50 per car. (One entry = one car through tech)
 - 7.1.3 Pre-entries must be completed by 5 pm on the Thursday prior the specific event weekend (unless otherwise posted).
 - 7.1.4 Any entries after the pre-entry deadline will have to go through the Media Center during LRRS weekends or Granite State Legends Cars on non-LRRS weekends.
- 7.2 Cancellations
- 7.2.1 There will be no cancellations, refunds or credits under the following reasons:
 - 7.2.1.1 Car runs in practice, but not in feature. (example: mechanical)
 - 7.2.1.2 Weather (NHMS will cooperate with weather and may run a delay start or reschedule the event).
 - 7.2.2 If NHMS declares the race surface unsuitable for racing if there are extenuating circumstances and racing is not possible; refunds, credits will be considered at that time.

8 RACE REGULATIONS

- 8.1 Road Course Series
 - 8.1.1 Practice/Qualify Session
 - 8.1.1.1 20 Minute Session (8:00 am – 8:20 am) on LRRS Weekends. All other Standalone practices will start at 5pm with subject to change. A schedule will be released prior to the event.
 - 8.1.1.2 Drivers are allowed to enter onto track at any time during the session, except with 2 or less minutes remaining.
 - 8.1.1.3 Drivers are allowed to enter pit area at any given time.
 - 8.1.1.4 Upon completion of session and the checker flag is waving, driver must make a full loop of the course and enter pit road (unless directed through 3/10 split by a Corner Marshal).
 - 8.1.1.5 Drivers who complete their final lap during the session must report to Pit Stalls 29-31 on Hot Pit for durometer check, then directly to Tech Pad for scale weigh-in.
 - 8.1.1.5.1 Failure to comply with this rule will result in a forfeit of their best lap time during the session and will start from the rear in the Feature event.
 - 8.1.2 Starting Lineup
 - 8.1.2.1 Determined by Practice/Qualify Session unless otherwise posted.
 - 8.1.2.2 Fastest lap time receives pole position; so on and so forth.
 - 8.1.2.3 In the event where the Practice/Qualify Session does not take place due to weather or extenuating circumstances, the lineup will be determined by draw.
 - 8.1.3 Race Structure
 - 8.1.3.1 All divisions will race in a 12 Lap Feature event unless otherwise posted.

- 8.1.3.2 Race Director will communicate with drivers via Raceceiver scanner about track conditions and basic rules.
- 8.1.3.3 In the event of a track caution, the Race Director and Chief of Timing & Scoring will determine the lineup.
 - 8.1.3.3.1 Lineup will be based on last completed lap.
- 8.1.4 Green Flag Start
 - 8.1.4.1 Upon coming to green, cars must travel pace car speed side by side.
 - 8.1.4.2 Once on the front stretch, cars must stay where they are until they enter the Start Zone.
 - 8.1.4.3 Start Zone is marked by cones (two on driver's right along the fence and one on driver's left on top of the hot pit wall); in between cones and the Granite Stripe (start/finish line).
 - 8.1.4.4 The leader can start the race any time after they pass the cones in the Start Zone.
 - 8.1.4.5 If the leader does not start the race by the time they cross the Granite Stripe, the Starter will start the race.
 - 8.1.4.6 All cars must stay in line and in the starting order. Passing can occur any time after the Granite Stripe.
- 8.1.5 Cautions
 - 8.1.5.1 The Race Director will determine when a caution exists. Cautions may be for car(s) spinning, debris on the race line, etc.
 - 8.1.5.2 The Race Director may call for either full course cautions or local cautions. Local cautions mean it's not a full course caution and race is still in progress. When local caution exists, you are not allowed to pass other cars in the specific area of the incident until you have made it past the incident.
 - 8.1.5.3 If a car spins or has a mechanical problem, comes to a complete stop and is out of the race line, the Race Director may call for a local caution.
 - 8.1.5.4 If a car spins or has a mechanical problem, comes to a complete stop (meaning they cannot make forward movement) and is in the middle of the race line, the Race Director may call for a full course caution.
 - 8.1.5.5 The driver must stay in their car until Safety vehicles arrive on scene. The only exception is if the car is on fire. Any driver that exits their vehicle before Safety vehicles arrive will be disqualified from the event and sent home.
 - 8.1.5.6 The Race Director, along with other race officials in Race Control, will evaluate the situation (intentional/unintentional, number of cars involved, etc.) and make the decision in regards to who goes to the rear.
 - 8.1.5.7 At no point in time shall the crew, family, or friend of a competitor interfere with the Starter if disagreeing with a decision made by the Race Director.
- 8.1.6 Turn 1-2 Cone (Mole Trap)
 - 8.1.6.1 Driver must follow the course entering turn 1 (via cones).
 - 8.1.6.2 If driver is having mechanical problems, coming in too fast into T1, locked up the brakes, etc., they are allowed to drive through the cones along NASCAR T1 & T2.
 - 8.1.6.3 Upon entering NASCAR T1 & T2, driver must follow cone path at a controlled speed.

- 8.1.6.4 Driver must come to a complete stop at stop sign and will be allowed back onto course if there is no position advantage.
- 8.1.6.5 At no point in time is the driver allowed to race through this area and gain any positions.
- 8.1.6.6 Any advantage gained from this situation or by not coming to a complete stop at the last cone will result in a 30 second time penalty.
- 8.1.7 3-10 Split Usage
- 8.1.7.1 No driver is allowed to pass through the 3-10 split for competitive advantage.
- 8.1.7.2 The 3-10 split is only to be used for mechanical or in the event where a car cannot control their speed.
- 8.1.7.3 If entering the 3-10 split, the driver must come to a complete stop and can re-enter upon approval of the Corner Marshal or gets back into the same position they were previously in.
- 8.1.7.4 Any advantage gained from this situation will result in a one lap deduction.
- 8.1.8 Conclusion of Race
- 8.1.8.1 Top 5 cars will line up in pit stalls 29-31; all other cars are to drive through to pit area.
- 8.1.8.2 Top 3 cars must report to the Victory Lane; remaining 2 cars to go to Tech.
- 8.1.8.2.1 At no point in time may any driver and/or crew members make any adjustments to the car while in Victory Lane.
- 8.1.8.2.2 Failure for any Top 3 car (including participant) to miss Victory Lane (with the exception of mechanical issues with the car and/or medically unable to attend) will result in immediate disqualification of that event, suspension from the next event, and probation for the remainder of the season.
- 8.1.8.3 Following the completion of Victory Lane ceremonies, the top 3 cars will proceed directly to tech.
- 8.1.8.4 Tech Inspectors will instruct drivers & crew member on what to do.
- 8.1.8.5 Tech Inspectors reserve the right to request specific cars, in addition to the Top 5, to report to Post-Race Tech.
- 8.1.9 Lap Times & Results
- 8.1.9.1 The Race Director will report to the pit area following the conclusion of the event with a print out of the lap times and unofficial results.
- 8.1.9.2 Lap times and results will be sent via email to all the competitors by the Tuesday following the event.

- 9.2 Race Director will communicate with drivers during Practice/Qualify Sessions, Heat Races & Feature Events via Raceceiver scanner.
- 9.2.1 Channel Frequency: 542.000 (unless otherwise posted).

10 TIMING & SCORING

- 10.1 The primary scoring method will be electronic, using MyLaps (formerly AMB) transponders.
- 10.2 If driver does not own a transponder, he or she will either have to rent a transponder from NHMS for \$30 (or whatever the visiting track rental fee is) or can purchase one at Granite State Legends Cars.
- 10.3 The driver will be required to pay the full replacement \$480 (retail) value of any transponder if they do not return by the end of the event or within seven (7) days post event.
- 10.3.1 The driver will be required to pay the full replacement \$480 (retail) value of any transponder that they have done damage whether accidental or purposely.
 - 10.3.2 The driver is responsible for checking rented transponders for any damage prior to leaving registration.
- 10.4 Driver is solely responsible for the maintenance, repair, battery charging, mounting and use of their transponder(s).
- 10.5 All transponders must be registered through the registration system prior to the race event.

- 10.6 All cars must have a functional transponder properly assigned and correctly attached while on the race track. Any car that enters the track without proper working transponder may be black flagged, not scored or both.
- 10.7 In the event that a transponder fails, a temporary replacement may be used and the competitor is responsible for notifying an official before going on track.
- 10.8 Transponder Mounting Location:
 - 10.8.1 Legend Cars: On the rear down tube where the pan hard bar attaches to the chassis.
- 10.9 All participants and cars that practice on day of event must have their Registration Fee paid and their own individual assigned transponder.
 - 10.9.1 A single driver can practice/qualify two cars (if both cars are registered and paid for) and can only run one and not the other for the Feature event.
 - 10.9.2 Another competitor can only run the other car with prior approval from the Race Director and essentially only to address a mechanical or accident of their primary car and not enough time is available to repair.
 - 10.9.2.1 The result will be that competitor would not be able to race.
 - 10.9.2.2 That driver using the backup car would have to complete two laps of practice/qualify under race speeds in order to qualify.

11 RESULTS

- 11.1 All results are unofficial at the conclusion of each event.
- 11.2 NHMS is responsible for submitting the results to INEX following completion of an INEX-sanctioned event.
- 11.3 Results will remain “Unofficial” until 12:00 pm on the Tuesday immediately following the event. At that time after all reviews, protests and penalties have been assessed by NHMS, results will then be considered “Official” and no further changes or adjustments will be considered after this point.
